

## **No. 204 – Sight plane (according to Schlaginhaufen) for cubic craniophor**

The sight plane will facilitate the fixing of the skull on the skull pincers in the cubic craniophor No. 201 in the Frankfurt Plane (see No. 203 - skull bowl for the cubic craniophor). Caution: The exact positioning of the skull in the desired plane requires experience, but ultimately gives good results.

**Caution: For cleaning please do not use acetone or acetone-containing cleaning agents.**
