

## **No. 205 & 206 - Horizontal tracing needles**

The horizontal needle is the easiest way to adjust the special points on the skull. It consists of a metal ground plate with a fixed vertical bar where the horizontal needle can be moved and fixed by a screw clamping system.

Your choice is between two sizes:

No. 205 - Height 30 cm

No. 206 - Height 45 cm

**Caution: For cleaning please do not use acetone or acetone-containing cleaning agents.**
